“ God has received another angel in Heaven with him. I worked with Lennie Mae for about 11 yrs,of course at HRH,she was also sweet to everyone,the patient and their families,and the employees at the hospital.I had not seen her until right before Christmas of 2011 at Belk's, she remembered my name and we talked and caught up with people we knew.Kenneth,I went to high school with you and graduated in 1966 with you. I knew your father also,from Crowell and he was also very sweet, they made a great couple. I wanted to come to the services, but was not able to, since my accident in December of 2004, I don't drive anymore and still have a lot of problems relating to the accident. I meant everything I said about your Mother, I don't ever remember her being mad/or upset and she had every reason to be upset. RIP Lennie Mae.

“ So sorry to hear of Mrs. Brown's passing. I thought she was the sweatest lady. I worked with Maynard at Crowell's. He always spoke of her with compassion.
