“ I was Leola's aide and I quickly fell in love with the sweet and beautiful soul that she was. I came in one day and it was her bath day. Soon as I came in she said "bye I'm done." It tickled us! Another time I'm came in her room like always and said good morning I'm turning on your light. She replied " you always say that. " I'm gonna miss her dearly because she was so sweet and had a since of humor. I love you Leola!!! 😊

“ I met Leola in the Seventh-day Adventist Church in July 2007. It was my first day at the church and she welcomed me and told me she loved me . I was very moved by the fact that she didn't even ask my name but she's told me she loved me. It didn't matter to her who you are but she was honest and that was why I loved her back . God keep her until we meet at Jesus' Feet. My dearest sympathies and condolences for the family loss of such a dear lady who loved the Lord and to sing. Amen ...Kenneth Nyandiko.
