“ Bro. and Sis. Brassfield were (and always will be) OUR pastors. As a young couple, just married and stationed at the Air Force Base there in Blytheville, AR, we truly considered the church our family and the Brassfield's our spiritual parents. All I have to do is close my eyes and drift back to 1974 to hear the 'Brassfield Sound' and feel the sweet spirit of Full Gospel church. Whether fishing with Kenny, singing with Sis. Brassfield, or just sitting down to a meal with the family. . . it was all priceless. Now, we are pastors, and I find myself quoting Bro. Brassfield and trying to pastor the way he would. What an example! And I am only one of so many that feel the same way. God Bless the entire family. What a reunion day we all shall have some day.

“ I only knew Bro Leon from the services on Wednesdays at Searcy Health Center, but he was such a joy each time he was able to be there. I loved to hear him sing. One time when I was playing the piano for the singing, he sang one or two songs. He would tell me in which key the song needed to be played. His "call" to preach reminded me of my dad's "call" to preach. My dad was 88 years old when he finally retired as pastor of our church. Bro Leon's love of preaching reminded me of him. I know you will miss him, even tho your loss is heaven's gain. My Love and prayers are with you all,

“ My name is Theresa, daughter of Marie Bailey, who entered God's heaven in July 1993, in which Brother Brassfield officiated the funeral. He was my childhood pastor and married me as well, in the backyard of my mother's home while she lay from her bed looking out the window. At this time I would like to let you know, I thought the world of the Brassfields and truly Brother Leon will be missed by many! But what a comfort to know that he is rejoicing in heaven with Kenny and my mother, talking about the good old days at Full Gospel Lighthouse. My thoughts and prayers go out to your family!

“ Oh, what a celebration there must be in the glorious presence of our Lord today! But, here we mourn our loss. The Leon Brassfield family holds a very special place in our hearts. Brother Leon and Sister Myra's ministry blessed us and our church family as did Brother Ken before he went home to glory. The last message we heard Bro. Brassfield preach is marked in my Bible (The Exchanged Life..2Peter 1) We love you and will keep you in our thoughts and prayers.

“ Words can never express how much we love and appreciate the Brassfield Family. Even though we all knew this day was coming, it's still a great loss. But oh, what victories in God and precious memories that were shared throughout the years. How I cherish my personal memories. Thank you so much for being my "spiritual Mom and Dad" -For taking the time to be part of my life. I can't express how I love you. What a Crown of Glory Bro. Brassfield has earned. And to think, Jesus, Himself, will place it on Bro. B's head. Love,
