“ *To my Dearest Grandma, I'm going to miss you terribly. The memories I have of you and the times we shared I will forever hold dear to my heart. The love you had for animals and gardening, I share that love with you - always have and always will. You were such a caring soul and that's why I know you are up in heaven watching over all of us today and always. So, until we meet again grandma, may your soul be in peace as you walk along enjoying the beautiful, blessed gardens of heaven, full of the most exotic, breathtaking flowers that we (as mortals) could only dream of. I hope one day you and I can stroll in those amazing gardens together. I love you forever and always. Love, Laura*
