“ I shadowed Judge Froman in the 1990's when I was a student at Harding. Recently he crossed my mind, and I found here that he had passed away. He made an impression on me as a young student, and I think of him occasionally and consider him to be a positive influence and introduction to the law. I know other students who feel the same - he was always willing to share his profession with those who were interested.

*I remember he always spoke of his wife and daughters. I realize I am several years late, but I'm sorry to hear of his passing and hope his family takes comfort that others still have positive memories of him.*

“ Mrs. Froman, Robin and Beth - I am so sorry to hear of the passing of Mr. Froman. I know what a roll model he was for his girls and for so many more I am sure. Their success is in large measure due to such wonderful, loving parents. You will remain in our thoughts and prayers.

“ I was deeply saddened today to learn of the death of my good friend and brother. I am thankful beyond words for the opportunity to have known as good a man as Leroy Froman. I remember many wonderful talks with him, his support in those times when his wise counsel and friendship were most needed, and the general warmth of knowing that I could depend on him without fail. Freemasonry has lost an outstanding Mason; Arkansas has lost a great man and dedicated servant; and, I know the Froman family members have lost a loving husband, father and grandfather.

*I trust without question that God has received his soul into Heaven, and that Leroy now suffers nothing. I pray that God will hold your family in His loving arms and give your peace.*
