“ There will never be another lady that could ever replace this precious soul..My Aunt Letha lived to help others and it didn't matter who or WHAT it was, she was always there for EVERYONE..I remember when I was a child, she would call Alan and Chris in from all of us kids (which was ALLOT) playing outside and I always managed to drift inside of their house as well bc Aunt Letha would have a spread of food ha!ha! Her bean cakes were the BEST!!!! I also remember a time when we didn't have much and Aunt Letha bought me a white plastic horse for Christmas (she knew I loved anything that was about horses)..That's just how she was..Thank you Lord for the time I was given with her ❤️

“ One of the best sisters ever,thank you God for letting her be my sister. We have picked on each other and had many laughs,she would steal my fishing spot or place her float almost on top of mine if I caught a fish and she wasn't catching any,we would laugh and pretend fight. She didn't mind chunking a piece of paper out of her truck when we were together,she knew I didn't like it and we would play fuss about it and she always laughed at my efforts to see and then fix it,I usually told her to make it fit her and she said “I get a new outfit everytime you think you can sew” lol Many memories to hold me until we meet again.
