“ I'm sorry to hear of Dr. Johnston's death. I last saw him at Dr. Cornett's funeral when I went with my Dad (Bill Fitzgerald of Clarksville) -- your Dad looked really healthy and happy. I asked him about you guys, especially Betty, since we were in school together at Halifax Academy. I live in Clarksville now and would love to see you again. My Dad was saddened to hear of Dr. Johnston's death, too - he thought a lot of your Dad.  
Love from Ann Paul Fitzgerald Switzer.

“ I'm so sad to hear of Dr. Johnston's death. He was a wonderful man and I have great memories of all the precious rings I got from him at all my dental visits. It was also always a joy to see him in church. He always greeted me with a smile and made me feel special. He was a source of joy!

“ *Dr. Johnston was such a pleasure to be around. Always when he came by for a visit I learned a lot of thing of the past and of curret happenings: he kept up with everything, forgot nothing. He will surely be missed.*

“ *It was with much sorrow that I learned of the passing of Dr. Johnston. Please know that you are in my thoughts and prayers. My childhood is full of fond memories. Brother, Lee, and Boo I know the sorrow you share but I also know how he blessed your lives.*
