

Liliana Arely Arciniega

May 9, 2023 - May 9, 2023

Liliana Arely Arciniega born on Tuesday, May 9, 2023. At 8:30 p.m and gained her angel wings May 9, 2023. She lived her life inside mommy's belly for 26 weeks where she formed the most noticeable nose, her daddy's nose. She formed the most beautiful eyes which came from her mommy. The tiniest feet and tiniest hands that could have been from either parent really but definitely daddys toes. Although her life was short lived, her impact on this world and everyone who knew her was big. As soon as mommy and daddy found out they were going to be blessed with a precious baby on December 7, 2022 the impact was made. That impact grew since that day just like Liliana had. Liliana was kept a secret surprise till the annual California family reunion towards the end of December where the news of her was quickly shared and celebrated. Seeing her on the first ultrasound on January 9,2023 only made Liliana's impact greater filling everyone with excitement and joy especially since it was the first time mommy and daddy were able to see and hear her little heart beat. The most magical sight and sound a mommy and daddy could ever experience. She was the light of their world and will continue to be the light as she will be guiding us through this life and the next. We are at peace knowing that she is flying high with her little cousin Kevin and her great aunt Karen who will keep her, protect her and love her just as we did. She will continue to be with us in spirit and in our hearts where she will live forever. Our perfect baby girl, Liliana Arely Arciniega.

She is survived by her mother Veronica Macias and her father Lawrence

Arciniega. She is also survived by her grandmothers, grandfathers, many aunts, many uncles and many cousins.
