“ She had a way of seeing things and saying things like they were. One time she asked me , what do u do???? After hearing I wasn't employed at the time , she said to me very frankly; so u don't do nothing?? Almost unbelievably, then proceeded to fill my empty schedule with lists of “ things to do, that she had need for help with!!!! lol, she was a true blessing to have known and I'm grateful for the chance to have met and known her. She will be missed but not forgotten !

“ I remember the time Wille had us stop by to convince Maxine of something that she wouldn't believe for nothing with just Willie telling her. So once there Willie began arguing with her about it. She was tired of butting heads with Willie about it and called Buddy over to settle it. When hesaid that he has to agree with Dean. She stood there a minute and then we all heard "Annnn...."  
Gonna miss you lady xoxo
