

Linda Sue Bolding

October 18, 1948 - December 27, 2019

Linda Sue Jackson Bolding, 71 of Alpena, Arkansas, formerly of Searcy, left us to be with her Lord and Savior on December 27, 2019. She was born October 18, 1948 in Searcy. She was an active member of Osage Baptist Church.

Linda was loving without question, judgement, or condition. She was a gifted nurse, who gave her whole heart to her patients. She loved babies and never passed up a chance to hold one close to her heart.

Linda was preceded in death by her daddy Leo S. Jackson, her sisters, Sandy Jackson Shewmaker, and Terri Lynne Jackson, and her nephew Phillip Shewmaker III.

Those left to mourn her are her husband of 50 years, Benny , her son, Todd (Laura), her mother, Betty Moore Jackson, one sister, Debbie Jackson Moore (Steven), her brother, Gary Leo Jackson, and three precious grandsons, Brock, Bennett, and Blake Bolding. She loved to watch her grandsons play sports and show animals and just be with them.

Linda had as many friends as she had craft supplies, so let's say countless. She lived all her life with enthusiasm and joy.

Visitation will be Monday, December 30, 2019 at Powell Funeral Home Searcy from 5-6 P.M. A memorial service will follow at 6:00 P.M.

Arrangements are entrusted to Powell Funeral Home Searcy

“ *Sending my sincere sympathy to Benny, Todd, Laura and the boys. If anyone was a friend for a short time or a lifetime, Linda was a friend forever. Every memory I have of Linda is a good memory. She loved having fun and living life. I enjoyed spending time with her and seeing what her latest craft project was. She will be dearly missed.*

“ My thoughts and prayers are with Benny and the family. Linda graduated from the LPN to RN program at ASU ASTI Beebe. As one of her instructors, I remember a lot of things about her as a student but the one thing that stands out is how she said the word "well" when she was asked a question about her patient or the rationale for something and etc. She had a different tone or way of saying the word for every situation. After 3 semesters I recognized most of them. Linda was a very caring and competent nurse. She had a great sense of humor. I enjoyed having her as a student and later working with her.

“ This lady right here! She was more than my best friends sister, she is family! When our girls were little they would go shopping with Linda. I got to notice when I'd take the girls shopping they would Stuart pulling toys off the shelf and playing with them. I told them, y'all know we don't do that. They said Linda does and she plays with us I. The store LOL! Linda is one of the most loving people I know! She loved without conditions. We will see you again one day Linda. You are now whole, no pain and not missing your daddy, sisters or nephew. Much love!
