“ So many fun memories of Linda. She was happy all the time. We did lots of things together and traveled a bit she was always so much fun. She never met a stranger. Always laughing. Smiling fun to be with and funny. She laughed at most anything and hid what bothered her with laughter. She was a great caretaker for her parents and loved older people. She would show up unannounced to my mothers and put her in her Corvette and they would take off 😊. They once showed up in Augusta at Amy’s shop just laughing! My entire family loved Linda and we are devastated she is no longer with us but we know she is happy reunited with her mom and dad. She loved her Amy and she loved Mick. Her choice of clothing was eccentric but she pulled it off beautifully. She was one of a kind for sure but had such a good heart. I’ll Always remember the close friendship we had and all of the outlandish things we did. I’ll never forget Linda. Always in my heart. Rest in Peace. There is not another like her. She kept us on our toes Love to her family to Amy Mick Johnny and SueAnn and all those she left so many memories with Carla Mayfield Coleman and my entire family
