

## Linda Kay Hernandez

July 3, 1961 - July 28, 2019

Linda Kay Hernandez, 58, of Judsonia, went to sleep with the angels on Sunday, June 28, 2019. She was born in Pennsylvania on July 3, 1961. She had been employed in retail sales for many years. Linda loved her family more than anything else, but also had a deep love for all people she came in contact with. She enjoyed movies, especially Robin Williams films and "Land Slide" by Fleetwood Mac was the best song ever written. Rather than tucking her children and grandchildren in at night with "sweet dreams" she always told them to "sleep with the angels" and that's just what she is doing now!

She is survived by her children, Mary Stephanie Hernandez Stull (Chad), Nathan Allen Ryan and Dustin; mother, Margaret Hernandez; grandchildren, Destiny Minyard (Tyler), Kevin Felton, Daniel Felton, Patricia Felton, Nevaeh Stull, Katelyn Stull and Makilee Stull and a great-grandchild on the way; her significant other, Rafael Rodriguez.

A memorial service will be held later by the family as they scatter her ashes in California. Cremation arrangements are entrusted to Powell Funeral Home, Bald Knob - Judsonia. [www.powellfuneralhome.net](http://www.powellfuneralhome.net).
