“ Linda was a sweet soul and a remarkable human being. Her sunshine smile brought happiness to the lives of everyone around her, and she continued to smile even when faced with one health challenge after another. She loved her grandchildren with every fiber of her being, and they were the first topic of conversation whenever we spoke. She was a good friend and had a big compassionate heart and a zest for life.

Glena, Ed, Sierra, Eddie and Jackson, I'm so very sorry for your loss. This is a hurt that will take a long time to heal. Know that you will always have her love.
