“ *Pete,*

I am so sorry to about Lisa, I visited a few weeks ago and it's hard to believe she is gone. I did not find out until yesterday of her passing and was out of town. My thoughts and prayers are with you and my family.

“ Lisa, you and I knew each other from school, a few years ago(LOL), and we were friends. You were our dental assistant after school, and we were still friends. Even after your accident, we were still friends. I look forward to seeing you, my friend, when we get together in heaven, because I know that's where you are. RIP Lisa!!!
