“ So sorry for your loss. Lisa was such a beautiful person inside and out. She was always smiling. We all grew up together, attended the same school and the same church throughout our childhood. During the summer we all attended VBS together. Lisa was maid of honor at my sister's wedding. A lot of memories with this family. She was taken away too soon. Praying for this family to have comfort and peace during this tragic loss

“ Lisa was my best friends sister. We went to church together. We spent Sunday’s riding around the bottoms with her dad. And I feel like she and her family was my second family. Lisa also interduced me to peanuts butter on pancakes. God bless her and the family.
