“ I am deeply sorry to hear about the loss of your loved one. I know that this is a difficult time for the family. I did not know Lois personally, but I do know the pain that comes along with losing someone you love. These scriptures have helped give me comfort and hope and I know that they will do the same for you, Rev 21:4 and John 5:28,29.

“ To the Family of Lois Anderson,
My prayer and thoughts are with each of you. Lois was an extraordinary woman who I admired very much! She worked in the same office as I did for 9 years when Dr. Bajwa shared an office with another doctor. I saw her and talked to every day and she became a good friend to me. I will miss her greatly as I know everyone else will. Prayers again for you all!

“ Our deepest sympathy to Lois's family on her passing. We remember her from Catawba Baptist Church - she always had a sweet smile and was nice to everyone. She and my sister, Harriette, rode to work together for years and were great friends. May God bless you all in the coming days.
