“ Betty & Dallas,

We are so sorry that we are unable to attend the services and visitation for your mom. Tom Brokaw called your momma's generation "the Greatest Generation" because of all that they experienced and all the changes they saw. Your mom was an exceptional lady. We have very fond memories of her and are so sorry for your loss.

We will keep you and your families in our prayers.

“ Betty, I have so many memories of your mother. Goodness, I wouldn't know where to begin. I was always in awe of her for all the things she knew how to do! Like remodel her kitchen!! And those wonderful cream (real cream!!) pies. No wonder my cholesterol has always been a bit on the high side. I would see her at just about every funeral service around here. She would always call me "her other girl". Loved her, love you, Kaye
