“ *I'm sadden to have just heard of the passing of Mrs. Lois. I got to know her by working at the Provence. She was a very sweet lady. Always had a smile & always looking very pretty. She had a special something about her. She will be deeply missed. I hate that I never got to back up there to see after I had quit. But I know she is in a much better place.*

“ *What beautiful memories you left for everyone that loved you. The nieces who learned to apply their make-up by watching all of the aunts gather around the triple dresser mirror in Grandmother Hays bedroom while we were getting ready for Sunday evening service at Salem. Your thoughtfulness wanting to ensure that everyone was taken care of. Most of all the love that each of us learned from you and all of your wonderful siblings. It is and always has been a great honor to be a niece to such wonderful aunts and uncles. We pray for you and your family. Dianne and Don Berryhill*
