“ I'm very sorry to hear of Lois's passing. I attended Beebe High School with her. We always knew her as Ardelia, and It was long after our High School days, we knew her name was Lois. Please know your family will be in my thoughts and prayers, in the days and weeks ahead.

“ Charles, I still recall well our school days and have thought of you often through the years. Today, I was saddened upon reading about your loss. Although, your family will, no doubt, provide sufficient strength for you to carry on, I wanted to express my condolences and I pray God's blessing upon you and your loved ones. Richard Rodgers

*I am sorry we lost contact. My name is Mary Martha Anderson Carrico. I lived down the street from the Adams where she lived while in Beebe. She spent many nights at my house. I was a year ahead of Ardelia. When I went off to college they took a picture of our Motel and Restaurant to make a postcard. It was taken by the swimming pool and she was one of my friends and relatives posing for the picture. What fun we had back then. I have often wondered where she was. My prayers will be with your family. She was great!*
