Lois, was almost A work horse ! she loved her Garden, flowers, and her family She would have fought for any of them. I used to tell her she worked to hard , but that's the way she was made. She leaves wonderful children that I love and will try and be here for them. Each one loved her so much and seen she was taken care of. This lady we will miss, but she was ready to go and be with Bill, he was the love of her life from the time she was16. RIP

Mrs. Lois and my mama "Zelva" (Stella McDaniel) were great friends until she passed away in 2016. They talked on the telephone every week and they always had a joyous time when seeing one another. Mrs. Lois will be greatly missed. Condolences to the family.

If you ever met Mrs. Lois, you met one very special and spunky lady!!!!!! A person never had to wonder where they stood with Mrs. Lois because she would tell you! Something I liked the most about her! I said if I ever got into trouble and needed a lawyer, I wasn't going to call one, I was just going to have Mrs. Lois go to court with me! I could imagine that she would have either gotten me free or we would have just both ended up in jail, either way, there would have been a tremendous amount of laughing going on!!! She raised one of the most special people I have had in my life, Linda Kay! I pray for Linda Kay and the family as they prepare to lay their momma to rest! Even though our hearts are troubled and we will miss the time spent, especially, you the family, with Mrs, Lois, the memories will always be imbedded in our hearts forever, and the imagine I have in my mind of her walking on the streets of gold, being greeted by everyone who had gone on before makes me long for the day we will be reunited!!!!!!! Love, hugs and prayers sent to the family!!!!!!
