“ I have known Lora for many years but we only became close friends in the last 10. We've had many long talks about our kids & grandkids, the Bible & of course, food. She tried to show me how to wear make-up. I think of her every morning when I'm getting ready. I've missed her so much since she retired but I'm so thankful she's no longer hurting. Chuck & family, you have been in my prayers & will continue to be.

“ I baby sat for Aunt Lora's three girls a lot when I was a teenager in Michigan, even while she was dating Uncle Chuck. I have so many wonderful memories spending time with the family, playing games, Linden lake, waving at the caboose and engine workers as the trains went by behind the house. Good, Fun memories. I love you Aunt Lora!
