“ *Heard thru Kathy Moore Debeic about Mrs Dunn's passing. Oh what memories we treasure of Lorene and Hunter Sr being our "mom and dad" so far away from Indiana for those few years. Thinking a lot of you, Scooter, and your family. Pray God's comfort for each of you as he brings back to mind many precious memories you share.*

“ Robt. & Wm. Earl and families;

How we wished we could have come yesterday-Feb. 10th for your dear mother's funeral. What fond and precious memories we have - both of your dad and mon, perhaps one of the closest friends our dad and mom had--esp. as our Dad and your Dad grew up together, hunted and fished together for so many years. So glad my bro. - Paul got to come and see you--to represent us. What a lively lady your mother was, lots of fun to be around, full of energy and the joy of living. Know you will miss her terribly. Be assured of our love and prayers for each of you. Yes, it's been many years since we have seen you and talked--but know that we treasure each of those early times we shared together in your home. We know our gracious LORD will sustain you and comfort and encourage you. Give each one in your families our love and hugs too,
