“ *dear jimmy, jamie and weezie,*

mother told me last night that lorene had passed away and my thoughts went immediately to ya'll. although i had not seen your mom for years, i don't remember her without a smile on her face. i know with the trouble you three probably gave her, that this was NOT always the case but it is how i will remember her.

losing a parent is so hard, as we have experienced with the loss of our dads. i will be thinking of you as you all go through the grieving stage and know that the positive and loving memories of both lorene and bud will always be in your hearts.

much love, jerri
