“ Ray - my heart is especially saddened by this news - - I'm sure that even when I saw notes asking for prayers, I didn't know she was your daughter. Just last week I asked Suanne and she told me. Words won't ever be enough to comfort you - believe me, it'll be a while. Do you remember that when we were Freshmen, I had a baby sister in the 1st grade back in Springdale? When she was 27, she was diagnosed w/breast cancer and died 4 years later, leaving two babies. Truly, I can feel, in a small way, the pain and awfulness your whole family is going through. My prayers will be with you for a long time.

Lots of love to you all,
JoAnn

“ Lori was an incredible person who went out of her way to be kind to my family and I. My son, Kyle, was in her 4th grade classroom, and he absolutely loved having Lori as his teacher. She was a very kind friend to my family and I and will be greatly missed. She was a blessing in our lives. Our thoughts and prayers go out to Jon and the children and the Griffin family.

“ Her smile will never be forgotten. Lori was one of the kindest people I have ever met. I only regret losing touch with all in Searcy. She was my "Dr.Phil" in highschool always willing to listen to our problems and the best darn Cheerleader EVER!

God Bless All!

My heart is heavy and saddened in the loss of your precious sister. From everything I've heard and read, Lori was a wonderful woman as you are and it is so hard to be separated from those we love and those who have loved us unconditionally.

“ Lori was always a friend to everyone. She refused to judge someone on their appearance and looked deeper to find the jewel within. She was a friend to me and I appreciated her kindness and smile daily. Eventhough we lost touch throughout the years, I rememebered her for her laughter and kindness. Heaven is one angel larger now. I want to express my extreme sadness for all of her family. She was rememebered fondly by me and my parents, Sharon and Donald Peterson.

“ I am so sorry for your loss. I did not know Lori as well as Mrs. Georgeann and Chad. However, I have known her threw positive conversations shared by many and as well as her family. I am so sorry that she has passed however I know that she will still be in your hearts and will be your guardian angel. Loss is never easy. With Gods help all things are possible. Cherrish the memories and no that there is an angel watching over your family. This is how I cope with the loss of my mother. I know that she is still with me as I no that Lori will always be with you all. May the Lord Bless you and keep you in His care.
