“ I am so sorry to hear about Dennis. I worked with him at Hedderly-Benton years ago. He held a special place in my heart. I am sorry that I missed his memorial service. I didn't read the newspaper until Sunday and was so shocked when I saw his obit. He will dearly be missed by so many. I have been thinking back to the times when we worked together and I have laughed and cried. We were good friends for a long time. I didn't keep in touch with him like I should have after he left Hedderly Benton and I really regret it. He was a good man and he had my highest respect. I am truly going to miss him. Please take comfort knowing that he is with God now and he no longer suffers. God truly gained an Angel.

“ Bessie & family,

I will miss Dennis so so much. We would talk about everything and be so silly at times, we were like kids.

When he started using the feeding tube and wanted to gain weight, I told him to put beer in it, it was fattening. He said Yes, and no one will know I am drunk because they won't smell it on my breath.

Loved him and he was one of a kind.

Love to you all!
