“ I have the fondest memories of Mr Love; visiting his store in Higginson and the post office as a kid, working with him on the Fire Department as an adult. He was a very good friend to my dad. He always had a smile for everyone and his laugh was contagious.

“ As long as can remember, I’ve known Louis Edward. Our families had deep roots in the Higginson area. As town postmaster and a store owner, Louis was a fixture in the community when I was growing up. Our families also attended the Methodist church together. So many memories but my favorite is knowing he was a lifelong dear friend of my daddy. Heartfelt prayers for the Love family. Sending love to Dale, Kyle & Nicole, and their boys.

“ *Mr. Love was one of the most kind hearted men I ever knew. I have many memories of growing up with him in them. From living just a few doors down. Momma, him and Mrs. Nita were close friends. I remember riding my bike to the Little Big Store they owned in Higginson when I was younger. Him being the post master at the post office. He gave me a job at his gas station in Judsonia when I was a single mom trying to make ends meet while going to college. He has always been a staple in this community. He will be greatly missed. Prayers for Dale and the grandkids and all the family during this time of loss.*
