“ Lavera
*I always love seeing Ape comming into the quick check, we had great talks about everything in the world. I remember seeing the two of you at the fair in Searcy several years ago, both of you looked so happy.
He will be missed by all of us, but I will never think of Bradford without thinking of Ape and all the good times at the store.*

“ Dear LaVera Just wanted you to know I am thinking of you and remembering you in prayer. I remember you telling me at the ladies day at College Church that Lloyd was seriously ill. May God hold you so very close to Him at this most difficult time. I remember you saying back years ago that Lloyd was so very kind and good to you and made you feel so special. I know that everytime I saw him he was always so nice and friendly. I am sure he will be greatly missed by you and many others. With my love and sympathy and prayers,
