“ *Sorry to hear about Aunt Lucy, she & aunt Josie were my favorites. wish i could come to the visitation, but don't think I will be able to get there after work. In case you are wondering who I might be, I am JoAnn, Willie Mae's youngest daughter. I miss seeing all of the family at the reunions & would probably not know anyone. My prayers are with you & the family.*

“ *Kathy and Family,*

We are very sorry for the loss of your granny. It's comforting to know that there's a better place prepared for her by God and through his promises you will see her again someday. Treasure her memories.

Love,

Larry and Sis.

“ I hope I can live as long and good a life as my wonderful great-granny, Lucy, did. She will be greatly missed but never forgotten.

“ Well, Granny, you are flying high with those Angels now and having fun. I was lucky to be your granddaughter, and I will treasure your memory forever and a day. I love you. I covered your feet for you one last time
