“ I have not been fortunate enough to be around Luella and her family these last few years. I wish we could have lived closer together so I could have known her with her family better. I have always appreciated her beauty, her sweet personality and admired her beautiful family. I know she will be missed greatly. My prayers are with your and your family.

“ I just want you to know that you are all in my thoughts and prayers at this time. I thought so much of "Mrs. Luella" (as I called her) and I loved seeing her when she came into Colony Shop to visit and see what new merchandise we had. She was such a joy to know and always had a beautiful smile and made me smile as well, and we had good times when she came in! Of course, she couldn't stay long, because she wanted to go cook lunch for Mr. Kamerman, but in "those small windows" we had good times in those mornings we spent. I know she was so special to each of you as only she could be, and she will be so missed and admired in all of our hearts forever! I just want you to know that our thoughts and prayers and with you. I loved Mrs. Luella, she was my friend, and she will be deeply missed! May the Lord be with you all during this time. Sincerely, Sarah Manley and Chris and family.
