“ God has called home a very special lady. I didn't know Ms. Lutty that well, but the few times I visited with her were a blessing and I felt like I had know her forever.

Seven years ago, while on my walk, in Heber Springs, I found a balloon on the road in celebration of Ms. Lutty's 90th birthday. It had a tag with her address, I sent her a card, she called me, invited me to come visit her. My husband and I visited with her several times and attended a couple of her birthday parties.

She was one of the sweetest Christian ladies I have ever met. She has a very loving family and my sympathy and prayers go out to them.

God's blessings.

“ My deepest and most sincere sympathy to all of the Boyce family. Aunt Lutty was a special lady, I remember many times being down on the river with Grandma Effie and Grandpa Fulton when she would come down to the house or we go visit her.
