“ *Shearlyn I have so many memories some good and some bad but in the end we got past the bad. We were able to mend the hurts and become friends and moms to Jonathan. I truly will miss you. Really need you to know that I appreciate you helping me with Jonathan. I promise that I will do my very best to keep him on the straight and narrow and remind him that you loved him so very much. You my friend and lady have been taken way too soon!! We don't always understand or know why but it has come and now we are left behind to try and muddle through life I hope you are able to finally find peace until we meet again!*
