“ I knew Myron. None of you will know me. I was in Grade School with Myron at Oak Hill School in South St. Louis. Didn't seem like he was there for long. As I recall he was a better than average athlete. What stands out for me was that he was always smiling and laughing. He's the only Myron that I ever knew. I just heard his first name on the radio. That's what caused me to look him up. Surprised and sad when I saw that he had passed. He made a positive impression on me. I just smile and kind of giggle when I think of him. RIP MYRON.

“ *Sorry to hear of Lynn's death, my memories of him when we played ball are still very vivid. Lynn made us laugh with all the crazy things he would do and say. Lynn was a "GREAT" catcher, not seen many better. I always smile when thinking of Lynn, God Bless his family.*
