“ I am so saddened at the loss of a lifelong friend. Mabel and I were fortunate to have spent our 12 years of school together, eight of those at Shady Valley and four at JCHS. One of my favorite memories of her is first grade when the teacher called on both her and I to recite our words since we were the only ones in the class that knew them. We felt so proud. Please know that our thoughts and prayers are with you and God will help you through this trying time. Sincere condolences to each and every one of you.

“ Sad to hear about Mrs J- she was my 9th grade English teacher and even though I and a few others were more smart-ass than any teacher should have to put up with, she made a lasting impression on me. She encouraged my appreciation of literature and writing, and especially of crafting words into a well turned phrase.

“ I was saddened to hear of the passing of such a wonderful lady.

Mrs. Jackson was an amazing educator. Her passion for literature was infectious. She introduced to me to some inspiring literature in a moment I needed it most. It had such a profound impact on my life that I named my child after it. She knew what I needed in my moment of peril.

She was a loving Christian woman who always let her light shine through. She directly contributed to the success that myself and many peers now have in life.

“ What a huge loss! Mrs. Jackson was a absolutely wonderful lady and teacher!!! She moved me everyday to try and keep me quiet in class but not until she put me right next to her did it work. She taught me a lot and she was a great friend. Heaven gained a angel today! Will miss you!!
