“ Linda,
We were so sorry to hear of the passing of your mother. We all know she is in a better place, yet that does not make this day, this week, this month, this special occasion any easier. I am glad she told you that you finally found the right man! Please also remember the funny times, like the last time we came to visit, you had just come from seeing her and you were laughing so hard tears were in your eyes. Our prayers go out to you during this difficult time.
Our love,
Cathy & Michael
