“ As I watched sweet Maddy walk the halls of WCC, she always had a smile on her face. Her kind and caring nature extended to everyone made the world a brighter and better place. Dear Maddy, you are so loved and will be sorely missed. Every life is precious, but yours was always special. It seems God needed you home. My prayers are with your family bc as they cry for you you smile for them. You left amazing hope and a wonderful legacy for each of us who knew you. Know that you made a difference. With sympathy and tears for your family, friends, and loved ones but gratitude that for you there will be no more sorrow, pain, or tears. Thank you for touching so many lives.... Rest In Peace, Precious One.

“ There are far too many memories to share. We spent so many birthdays, holidays and time together. Just know that we are all heartbroken. I'll always remember the day Maddy came into this world. Poor Candi was so miserable those last few days of her pregnancy with Maddy but how happy we all were to see sweet little Maddy when she entered this world. She made the world a brighter place, just like her sweet mother. They are together again. Candi is with her "little one". Much love to all of you. We are here if you need anything. Craig & Carolyn

“ I remember Madison as a cute little girl. I remember how Candi was so proud of her babies, but Madison was the one who made her a mom. My heart broke for Madison and family when Candi died and my heart breaks for all of the family now. Sending prayers and hugs.

“ When Maddie was a teenager we would meet before or after church service and discuss what we were each reading. One of our mutual favorites was the Twilight series. Maddie particularly loved the characters and talked about them like friends 😊! Maddie was a sweet loving friend. She will be missed by all!

*Oh the memories. The places we went. The stuff that Maddy and Casey could get into and of course Bailey later. Maddy and I chasing that silly pig in the fenced play area to hiking up the little hill for nature walks. Sitting with you at Children's. Madison the love for you will forever be in my heart. May God give your family left behind the peace that passes understanding. You will be so missed by so many. Ms. Robin*
