“ Sincere condolences to the family. I remember when Madelyn won Miss BK; I was 8. I thought she was the most beautiful girl in the world- our own Elizabeth Taylor. I was introduced to her by her cousin Delia Barnes and had celebrity awe. She had a beautiful smile and kind demeanor. I'm so glad to hear she had a wonderful, appreciative family and the opportunity to share her beauty generously.

“ My fondest memory of Madelyn was our trip to New York City in 2013. We saw Motown the Musical. She stood dancing and singing along with the audience for the entire performance. She told me it was her music and that she and James fell in love to those songs. Her life was a wonderful gift to everyone who knew her. Charlotte & Jack Asherman
