# Tribute Wall

“ Mae Anne and I were cheerleaders together in high school and graduated together. She was always a beautiful girl inside and out. She came to my house to observe our 50th school reunion., It was good to see all the pictures of the family.

*I shall notify all her many friends in this area.*

“ Dear Tucker family,

*Well, I sat here tonight and just wept and wept as Paula and I viewed the tribute for Mae Anne.*

*I talked to my mother (Maye) earlier tonight and told her about your loss. She sends her deepest sympathies as well.*

*Paula (Ferrell) and I both felt as though Mae Anne sort of "looked out" for us when we were all at Harding together with Stephen and David.*

*Can't help but think back to the recent tragic loss of Emily (I think this was her name? Stephen & Teena's 11 yr old). We only later heard about and grieved with you from afar. Grandparents and granddaughter together in heaven--this we believe and cling to mightily.*

*Please know of our love and our fellowship of suffering with you during this time. I have said a prayer for you all this night.*

*I will carry the image of Mae Anne Tucker's loving, welcoming, affirming smile with me all of my life.*

*Charlie and Paula Coil*

*We are so sorry to hear about your Grandmother(Mother). She was such a sweet lady!*

*Although we just knew her a short time it was always a pleasure to visit with her at the basketball games. We will greatly miss her next season. Kinsey, you are always welcome to come home with Kaitlin when ever you wish! We are only two hours away if you ever need anything.*
