“ Sarah and Todd-I'm so sorry to hear about your mom's passing. There are no words to help ease your pain, but please know that your family is in my thoughts and prayers. We lost my grandmother on June 17th and the hurt death brings is heartbreaking. I haven't seen you both in a long time, but I'm sure you still have the strength and courage from those two wonderful parents to keep your chin up and make each day better and brighter. I hope you do find some comfort in knowing she is no longer suffering and finally at peace. But, you know that. She will be with you both forever. Much Love, JJ

“ Sarah and Todd,

It was with a great sense of loss when I heard of Marcia's death.

I wanted to let you know that you have my greatest sympathy, and my heart is truly saddened.

Marcia was more than just a wonderful person; she was always so kind and considerate to Shevon and I that we always welcomed seeing her at every opportunity.

I will always remember the good times we all shared in Sulfur Springs Texas playing softball, when they all took me out of the room and threw me in the pool.

She will sadly missed but not forgotten.

Stay strong love,
