“ *Marcia you are my everuthing. You are my soulmate my best friend. We had so many plans that we were going to do in our later years. You came along to me late in life but I felt like I've known you my whole life. You are always upbeat and positive and you kept me lined out even when I wasn't so upbeat. You were always ready to go no matter how tired or how difficult your day had been. You always listened to me when I had a bad day. Our time together was way to short and what I wouldn't give to hear your voice or hold your hand just 1 more time or see you in the passenger seat in the truck. Now your free and with the Lord and other family members who went before you. I hope when it's my turn you will come to get me and take me with you to heaven. I miss you so much sweetheart a part of me has been ripped away leaving a huge hole in my heart. Don't worry about Donna and the Grandkids I will always be there for them and help them whenever they need me. I LOVE YOU FOREVER AND ALWAYS AND HOPEFULLY I WILL SEE YOU ON THE OTHER SIDE ONE DAY! IM NOT GOING TO SAY GOODBYE BUT I WILL SEE YOU LATER.*

“ *Marcia would always come into Bills Grocery when I was a young teenager working there...she had such a sweet spirit and was so nice! She definitely made an impression on me and I looked up to her! It's always sad when someone who makes this world a better place leaves but I can see why God wants her with Him..praying for the ones here still...*
