“ I had the pleasure of meeting Marcus when I was working in Newport at the prison. Everytime I needed something from the Newport field office Marcus was so helpful. I remember him always greeting me at the door with a smile and a hug. After leaving Newport I only got to see him twice a year at conference but I knew when I saw him he would bring a smile to my face. He was a good friend and officer to me and I will never forget him. I pray his family will find peace and know Marcus was loved by many and will live on in our hearts.
