“ Polly, I always thought we had tomorrow, but we aren't promised a tomorrow. We had a lot of fun growing up. I am so glad I have those wonderful memories. My prayers are with your family it is a devastating time for them. You are in heaven with those you have lost over the years and I can just imagine the practical jokes your Daddy is pulling with you there at his side. I will forever love you my dear friend. Until we meet again.....
