“ *Maggie, you wanted to work until you dropped, (your words) and you wanted to live in your home until God called you home. God has answered every prayer you and I discussed over the years. My heart is sad to loss you b/c I am selfish but I am so pleased to be able to tell others how very much you believed God would answer you. I love you and will miss you calling me, stopping by, and keeping watch over the neighborhood. But most of all I will miss you. Your sweet smile, you fussing about the voting poles and lazy people that won't work. I laugh as I write b/c we both know I could share so much more. But I won't!! I get goosebumps just seeing you laughing as we shared. I love you dearly. Thank you for your friendship, loyalty, trust and just being who you are.*
