“ I am so glad I got to see you last week when you was in the hospital . I will never forget that visit with you as long as I live. You was truly one of a kind. You just had that special touch from God and you knew always how to share His love with others . I will never forget that morning you had that radio in the hospital window and had me on with the morning show on WAJL. Your last words to me after we had prayer was.... God is calling you to preach and you need to get about doing it . I will never forget thses words sister Margaret .

I will miss you so much I pray that you will enjoy the gospel music in Heaven as much as you enjoyed it here on earth. Rest in His sweet peace my dear sister .

I will be in prayer for the rest of the family . You will be truly missed ,but soon we will all be together forever. Brother Arvin WAJL

“ Margaret was one of happiest Christians I knew. Her friendliness & caring heart made her stand out as a beautiful lady. I always enjoyed being in her presence. She told me when she was in the hospital she wasn't going anywhere until it was God's will. But when He called she was ready to answer her LORD's call. Margaret, you will be greatly missed here on earth.

Thank you for being Christlike. Your friend, Carolyn Phillips
