Margie and I were classmates at SHS, '54. She was always a friend to me. I became a registered nurse, and when I found out Margie was an LPN, I was sooo happy and proud of her. I influenced her to come to one of our high school reunions....we were all so glad she came, and so enjoyed visiting with her and catching up. God Bless her family, and thank you, Margie, for being my friend.
