“ *Grandma was one of the strongest women I've known. She loved her family. She loved God and served Him in her church until she could no longer attend. She was a hard worker and taught her family so much. She will be missed and never forgotten! Her legacy will live on thru the life she lived and taught her family to live.*

“ Aunt Marguerite was so special. She made sure all of the Moody kids made it through school well fed. Boy were those lunches good. She also caught me kissing my boyfriend behind the lunch room one morning. I did not do that again! I love you all.
