“ I've Known Maria for many years through church and work. She was one of the finest people I've ever know as well as one of the funniest. She could make me laugh at the "drop of a Hat". This world will be a sadder place without her in it. My deepest sympathy to her entire family.

“ Maria was always so kind to me from the first time I met her when I was in high school. After I moved from Searcy and would come back to visit, she always had a sweet smile and a hug for me. My deepest condolences to Maria's family during this time of sorrow. My prayers are with you all.

“ Joe, Ouida, and Charles,
Both of my grandmothers were in EHC with your mother, and always spoke very highly of her. I remember visiting your home when I was in junior high and meeting your mom. I found the words my grandmothers had said to be true. She was a beautiful, kind and gracious lady. I am truly and deeply sorry for your loss.
