“ *What a wonderful video honoring your wife and mother. It brought back so many special memories for me of times our families spent together. I know you will miss her terribly, but I hope as time goes on that the memories will make your heart smile. My prayers are with you. Kim*

“Wow, what a fantastic video. I loved seeing all of you again in these photos. And seeing what a wonderfully big, beautiful family that grew from the Arnolds. Really enjoyed seeing Linda at Harding last year and Mark with Brother & Sister Arnold (sorry, but I just can't call them Jack and Marilyn!) at the Sun Valley reunion a few years ago. Karen & Jackie - I would love to see you both! My heart goes out to all of you at this sad time.

My fondest memory of Sister Arnold was her teaching us Sunday school. She always had us sing along with her and made all the Bible lessons so interesting and fun to learn! When Karen and I went off to be roommates at Harding, Sister Arnold gave me a desk lamp as a graduation/use-it-in-the-room-to-study-by gift. I still have that lamp and use it to this day. So many good memories. So many good times. I love you all.

“ That was such a memorable tribute to a beautiful red haired lady, one that we will never forget. And if only we could all take after her...she never seemed to age! May God grant you peace and comfort in the days ahead. Sing on with the angels, Marilyn. We love you.
