“ So very sorry for your loss. I remember growing up in the same neighborhood Mark did. I also remember when he got hurt. It really made me sad. Praying God's peace on his family.

“ As children, when we were visiting Grandma Johnson, we used to have races with the little counters that grandma brought home from the phone company! Such fun! We also had lots of rubber band fights up and down grandma's stairway. And, remember Queenie? (grandma's boxer) Mark was a wonderful person. I will miss you, cuz!

“ Mark was always there to help. I remember once breaking down at Greers ferry and mark and Barbra drive up to pick us up and bring us back to pangburn. He wouldn't even let us pay for gas. A Real Friend.

That is awesome Bill. You deserve free gas for the rest of your life! But I'm trying to find a meal service for Mom around Searcy, I'm not sure if you are interested in helping start a go fund me page for a caterer for her but I'm sure that it's going to be needed she is starting chemotherapy thru a line to her heart for 4 months!!! I think Stan Carson, Vivian Addams, or Vai Carson might be able to make the appointment with the meal train people if they are not too busy..if it doesn't cost anything that would be even better, Meal Train is for cancer survivors anyway... hopefully someone can help me find out what's like that around Searcy / White County area

“ He was the most amazing example of compassion. I knew the first time I met him that he was an incredible person. I am ecstatic that he came to be my incredible friend. His passing leaves a big void in the heart of a lot of people. I will see you again, I promise.
