“ So sorry for your loss. Saddened to hear of Mark"s passing. I have many memories of Mark growing up. He was at our house on a regular basis. He and my brother Randy (Light) hung out together all the time. I will never forget Mark driving his big beast of a truck up the steps of our front porch and breaking the two bottom steps off my mom was not very happy with Mark to say the least. Thoughts and prayers to the family!

“ Mark you will be truly missed by all of us. You had a special talent with the cars. Doesn't seem like it was too long ago we were celebrating Cindy, mine and your birthdays. I will remember that always. How I loved to spend time at your house in the summer with all of us in the pool. Sharon and you me making crazy silly tape recordings. Love you-God has a great plan for you. Until we see each other again Rita. Sorry I wish I could come and say goodbye.

“ I grew up as a neighbor to the Hamby's. They were awesome. Sharon and I were good friends. Mark wrestled on the team with my younger brother Jimmy. We all had a good time together. Mark was always so sweet, and a bit mischievous (perhaps it was my brother Jimmy's influence!) Rest in peace dear Mark. You blessed a lot of people while on this earth.
