“ Mark will always be remembered by our family as a quiet person with a funny sense of humor and very smart. Mark loved wearing his trench coat and eating hotdog buns. He was a wonderful friend to our nephew Cade. Mark would spend time hanging out with him and they would go to Bible devotionals together. The Harding Student Center will not be the same this year without Mark sitting in his favorite spot. One sweet, special person has left an empty space in our hearts. God blessed us with Mark's presence for a short time and showed us the importance of loving one another. Mark will be greatly missed. Praying the Lord's Blessings of comfort and peace upon the family.

Mark will always be remembered by our family as a quiet person with a funny sense of humor and very smart. He enjoyed wearing his trench coat like the detectives on TV movies. Sometimes when offered food he preferred just a hot dog bun. Mark was a wonderful friend to our nephew Cade Williams. The Harding Student Center will not be the same this year without him in his favorite spot. One sweet special person has left an empty space in our hearts. Mark was blessed by being able to go to Harding Academy and Harding University where he had the opportunity to learn and study God's Word. He will be greatly missed.

We grieve that Mark will not be with us here at Harding this Fall. He did not come to Student Health Services very often; but, we were so appreciative of his respectful and congenial attitude. Our prayers are with you and for you. The nurses at Student Health Services Harding University
